

first school

Your child deserves learning that adapts to them.

AI-powered tuition for primary students in Singapore

3

Subjects

P1-P6

All Levels

10:1

Student Ratio

1-3x

Per Week

● **Personalised AI**

Adapts to your child's exact knowledge level – not their age grade

● **Mastery Learning**

Students must reach 90%+ accuracy before advancing

● **Human Facilitators**

Trained educators in every session for motivation and support

● **Complete Curriculum**

MOE-aligned Maths, English, Science + life skills workshops

● **Science-Based Sessions**

Short 15-20 min focus blocks matched to attention capacity
